

The Northeast Florida Regional Leadership Academy (RLA) is a program of the Northeast Florida Regional Council (NEFRC). The Academy invests in the future to make Northeast Florida a great place to live and work by educating regional leaders. Graduates become members of the Regional Community Institute of Northeast Florida, Inc., a non-profit organization that undertakes policy work for NEFRC.

RLA is looking for a few good people who:

1. Are already leaders in their local community, and have the commitment and motivation to expand their service to the regional community.
2. Are willing to invest time and energy into understanding all of the communities and issues in Northeast Florida.
3. Are prepared to act with a network of other regional leaders to address policy issues through membership in the Regional Community Institute of Northeast Florida, Inc.

If this sounds like you, become a nominee and put yourself in line for an eye-opening and stimulating learning experience. Candidates attend classes once a month in each of the seven counties of Northeast Florida, from January to August.
